

Metlab Quality Policy:

Metlab will provide its employees with adequate procedures to satisfy standards acceptable to most clients. We will continuously strive to achieve and maintain our industry's leading position in the quality of Non-Destructive Testing, Inspection and Construction Materials Testing services in a cost-effective manner to satisfy the expectations of our customers and relevant agencies.

The Senior Management and Staff of Metlab Ltd are totally committed to ensuring that all activities are conducted in strict accordance with company documented procedures which comply with the requirements of the ISO/IEC 17025 and 9001 Standards and will give their fullest support to achieving this aim.

Metlab is fully committed to comply with the "General Data Protection Regulations" (GDPR), management, staff and contracted agents are required to adhere strictly to the requirements set out in Metlab operating procedure Ref. SOP15 – 26 GDPR Policy.

The management team will periodically review the performance of the management system and our quality objectives to ensure continuous improvement, ensure their effectiveness, continuing relevance, and suitability. PRIDE in QUALITY shall be instilled in all employees at every level.

Signed: 
Jim Humphreys
